

How will Whitestone P.A.W.S. support Education at Whitestone?

As a Whitestone P.A.W.S. volunteer you will:

- ASSIST TEACHERS and be directly involved in KIDS' INSTRUCTION!
- Be at school at specific times to help implement special programs, like "flex-time" and others.
- Sign-up only for the specific dates and times when you know you are available.
- Be an extra set of hands for teachers, freeing the educators to move on with instructional content.
- Work with flash cards, educational games, read with classes or tutor small groups of students.
- Actively and positively engage with students and teachers.
- Be a part of our mission to ensure Whitestone's students have a better and brighter future.
- You do NOT need to have any experience in the education field - just follow the teacher's step-by-step to-do list. It's that easy!
- Keep strict confidentiality: academic and personal information about a student and conversations overheard while in campus regarding staff and/or students should not be shared with neighbors, friends or other parents.
- Always wear Official T-shirts while you are on official P.A.W.S. duty.
- Smile and make a difference in our children's EDUCATION!

Visit <https://volunteer.leanderisd.org/> to complete your volunteer application.

All Whitestone P.A.W.S. must be approved through the LISD volunteer application.

Visit <http://whitestone.my-pta.org/> for more information.

Contact *Deanna Harris* with questions, to purchase your official t-shirt or to register:
